

## Terms and Conditions of Conduct

Below are Terms and Conditions of Conduct for your youth during participation in this Abba's House Ministries event. Please read them with him/her. This contract **must be signed** by both parent/guardian and youth before leaving for the event. **YOUTH, signing this contract means that you have read and understand the behavior that is required of you on this outing.**

1. *I am a representative of Christ.* I will remember that identity in everything I do and say throughout this trip. All of the statements that follow are merely elaborations of this fact.
2. *I will glorify God with my language.* I will not use any language that is disrespectful to God, my chaperones, my fellow youth, the artists, or those working or volunteering at the event. I will take every opportunity to build others up with my words by encouraging them and making them feel welcome and loved.
3. *I will glorify God with my body.* **I will not use alcohol, tobacco, or any illegal drugs.** I will not be violent and will be respectful of other people's space. I will practice appropriate boundaries with those of the opposite gender. I will not take anything that does not belong to me without permission. I will be conscious of those around me so I do not harm them purposefully or accidentally. I will participate in activities that challenge my body and will use my strength to help those who are struggling.
4. *I will glorify God with my choices.* I will listen to and obey the chaperones. I will choose to be helpful instead of hurtful. I will make sure that others will not be hurt by my actions before I act on them. I will respect the event facilities. I will keep our area safe and clean by cleaning up after myself and being careful with my actions. I will make conscious choices to grow in my relationship with the Lord and in my relationships with others.
5. *I will glorify God with my mind.* I have chosen to come on this trip to have fun, and also to learn more about God and His love for me. I will be respectful when others speak. I will have open ears and a quiet mouth when others are speaking, even if I do not understand or agree with what they are saying. I will make sure to be thankful for those around me who have sacrificed their time to make this event a time to remember forever.
